

Camp Teepee Pole Range Procedures

Range Safety Rules

1. The muzzle must always be pointed in a safe direction.
2. The action of any firearm must be open at all times except when actually shooting.
3. Firearms may only be loaded and discharged at the firing line.
4. No firearm is loaded until the command to load is given by the range officer.
5. Fingers must be kept out of the trigger guard until the firearm is pointed down range.
6. Upon the command “cease fire” all firing stops at once. Shooter awaits further commands.
7. The ranger officer or instructors will inspect each firearm to ensure it is unloaded before allowing anyone to go forward of the firing line.
8. During a cease-fire no one will handle the firearms or ammunition.
9. Hearing and eye protection is required.
10. Minors and any person without a valid firearms license must be under direct supervision while shooting.
11. No horse play or careless handling of firearms is allowed at the range.
12. Avoid interrupting or distracting others when they are shooting.
13. No alcohol is permitted at the range and no one who is impaired due to drugs or alcohol is permitted at the range.
