Police Background Check

If you are 18 years of age or older we will need you to provide a police background check. You can obtain this at your local police station. There is a fee for this service but as a volunteer you qualify for a reduced rate. To obtain this rate you will need a personalized letter on camp letterhead to take to the police stating that this is a volunteer position. If you did not receive such a letter with this application, contact me at klassens@acm.org or 403-816-0228 and I will see that you get one. The police will mail the results of the check to you and you should send it to me together with this application.
